Mountain West Ruby Conference  
proudly supported by:

We use Ruby (and Rails) extensively to create  
superior online backup software.

**Looking for more awesome in your life?**  
Mozy is hiring. Inquire at [jobs@mozy.com](mailto:jobs@mozy.com).

**Save \$50 off any order  
when you mention this ad and  
Mountain West Ruby Conf!**

**BLUE**   
**Rails-Centric Hosting  
for Ruby Lovers**

[www.blueboxgrp.com](http://www.blueboxgrp.com)

At Engine Yard, we focus on Rails application deployment and operations, so you can focus on developing your app and your business.

We help you scale to hundreds of thousands of users, without hassles.

And we're always here for you, 24/7, by phone or email. Call (866) 518-YARD anytime.

**Looking for custom  
software that knocks  
your socks off?**

### We're here to help!

Surgeworks specializes in rapid application development with Ruby on Rails.

Some of the best Rails developers in the world are on our star team.

We know Rails and we know how to make it work for you.

We also have experts in a variety of other technologies, including PHP, .NET, Java, and system administration.

**MountainWest Ruby, LLC welcomes you to MountainWest RubyConf 2008!**

We want to thank the speakers who gave of their time to present.  
We also want to thank the community for their help during the conference.

This conference would not be possible without the generosity of our sponsors.  
We are grateful for their continued support of the Ruby community.
